

LESSON 1 – ASSIGNMENT

1. Write a short report on the no-dig garden you built (based on Set Task 1).
(Write 200 words or ½ page maximum)

2. Explain the goals being pursued by three different examples of permaculture designs (based on set Task 2).
(Write 200 words or ½ page maximum for each example)

3. Explain the procedures used for the following techniques (that are sympathetic to permaculture), including:

- No Dig Gardening/Sheet mulching
- Companion Planting
- Biological Control
- Sustainable Harvesting.

(Write one paragraph for each procedure)
